A-07 · EXPLODED ASSET SYSTEMS

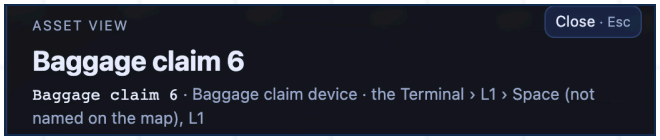

Exploded asset systems

The terminal main hall seen from above with the floor fills off, so the systems inside it show.

1 BAGGAGE CLAIM CAROUSELS 2 ESCALATOR TAG: FROM A RECORD 3 ELEVATOR TAG: FROM A RECORD

THE RECORD THAT OPENS FROM A TAG

Select a tag and its record opens. Fields such as maker, model and last service fill from the owner's systems of record when they are connected.

HOW TO READ THIS

A tag names one asset and says where its data comes from. Floors are drawn as outlines so the carousels, escalators, lifts and lights read.
